Parade of The Planets

FRI & SAT NOW TO FEBRUARY 9, 2025

Come experience the wonder of the Parade of Planets with Roaring River Adventures at the Emory Melton Inn! Every Friday and Saturday evening through February 9, 2025, we'll turn off the outdoor lighting from 6:00 PM to 8:00 PM to give you a spectacular view of six planets—Venus, Saturn, Neptune, Uranus, Jupiter, and Mars—alongside the moon in its various stages. This awe-inspiring celestial event only happens every 18 to 20 years, and the view from the inn is nothing short of astounding! Please join us as we celebrate!
